

**Hartford Society of Financial Analysts  
Job Description**

*Scholarship*

**General Purpose:**

Persons involved in the scholarship activity will help award ten (10) scholarships per fiscal year. The CFA Institute offers three different scholarship programs that are available to candidates for the CFA® Program. These scholarships are targeted toward university faculty members; university students sponsored by professors who are CFA charterholders; and deserving candidates selected by CFA Institute member societies. Currently these duties are performed within the scope of Continuing Education Chair.
